Note: With immediate effect from 1 Jun 2005 email address and phone numbers for Registrant, Administrative Contact and Billing Contact will not be shown in the above WHOIS results. This move is in-line with national and global efforts to curb SPAM.

Technical Contact details will still be available for troubleshooting of technical problems which may be time-sensitive.

Any party who has legitimate reason to obtain email address or phone numbers of the domain name contacts can either (1) obtain the contacts from the domain name's website (usually by prepending 'www.' in front of the domain name or perform an Internet search using the organization name or; (2) Request the information from SGNIC via email ([dng@nic.net.sg](mailto:dng@nic.net.sg)), stating the reasons.
